YOUR WEDDING
CELEBRATIONS AT

CHÂTEAU
CHEVREUIL

WELCOME

Château Chevreuil is located in the Loire-Atlantique department, on the West Coast of France, close to the Vendée border.

This magnificent family estate is located 30 minutes from Nantes International Airport and 15 minutes from the beaches of the Atlantic coast. It is also only a 40-minute drive from Nantes City Centre and the town of Machecoul (5km away) is served by the TER (regional train).

There is ample parking and the estate is easily accessible by car.

Our indoor reception room is the perfect place to host your intimate wedding as it can accommodate up to 32 guests for a sit-down meal.

For a wine reception, or an aperitif cocktail, the room opens onto the reading room and the gardens which can host up to 50 people. In good weather, the front lawn of the château offers a magnificent space to meet and celebrate your unforgettable moments.

The property is set within its 100 acres of private woodland and fully walled gardens for an intimate and exclusive experience. For multi-day events, relax in the sun or take a dip in the pool to give yourself a new lease on life. Thanks to its quiet and secluded location, there are no noise restrictions so the party can go all night long. It is even possible to organise fireworks with our partner.

The Château offers you four double bedrooms each with an ensuite bathroom that can sleep up to 8 people. The bridal/master suite has a dressing room which can be converted into a twin room upon request. With extra beds that can also be added to some of the rooms, the castle can sleep a maximum of 12 guests.

Its guest house, the Canardière, offers a large bedroom on the ground floor with an ensuite bathroom as well as three bedrooms on the first floor which share a common bathroom. The Canardière therefore offers space for an extra eight guests.

Both houses are independent and offer their own living areas and equipped kitchens.

With its spacious and luxurious interiors, resplendent gardens and private location, the estate offers you and your guests an exclusive and unforgettable experience.

With its spacious reception/dining room, it is possible to set up round or rectangular tables for a seated dinner for up to 32 guests.

At Château Chevreuil, we believe your wedding should be tailored perfectly to your needs and as such, we do not impose a particular caterer. However, if you would like someone local, we can refer you to either a private chef or a catering company to take care of all your food and beverage needs.

The Château also offers a large, fully equipped open kitchen as well as two lounges to relax in.

On the first floor, the Master bedroom with its large four-poster bed (180 x 200) is ideal for the bride and groom. Its private dressing room is perfect to ensure you are ready for the event. The bedroom also has a private bathroom with a bathtub and shower.

The Princess Room offers a four-poster bed (160 x 200) and a private bathroom with a bathtub.

The two remaining bedrooms offer you the choice of a double bed (180 x 200) or two single beds (90 x 200) depending on your needs. Each of the bedrooms has an en-suite bathroom with bathtub and shower options. In addition to the existing four bedrooms, it is possible to add two single beds to the dressing room as well as a single bed in each of the two remaining bedrooms giving the option to sleep an extra four people.

OUR
GROUNDS

When the sun is shining, you can make the most of the beautiful gardens, blossoming flowers and trees by holding your reception outside.

If you wish to accommodate a larger number, it is also possible to set up a larger structure with a floor, to hold your meal outdoors.

Immerse yourself in the beauty of the landscape and take your wedding photos in front of the chestnut trees in bloom, on the vestiges of the medieval tower, by the pool or in the alleyways.

The spring months of April, May and June bring an abundance of colour to the estate through its multitude of flowers and blossoming trees. In September and October, the leaves turn a beautiful orange and golden brown hue, coupled with purple and pink carpets of cyclamen. This brings a beautiful surrounding for all of your photographs.

Depending on your needs, it is possible to organise an open tent or some form of outside dining. The terrace of the Château is the perfect 'alfresco' dining for up to 50 guests.

It is possible to accommodate more than 50 guests. This option requires you to organise an outdoor marquee and WC. Please contact us for more information.

The use of the pool is limited to the guests who are spending the night in the estate. If your intimate wedding is smaller than 25 people, full pool access is possible. For events larger than 25 people, pool access is prohibited during the event, and only available outside of the event hours to the people residing on site.
